When deciding service connection for a disability due to BPOT, consider if the evidence establishes service in a qualifying location, as outlined in 38 U.S.C. 1119, meets the qualifying service period, and has a diagnosis that qualifies under the diagnostic code categories listed above. Please note, the statute does not require newly recognized disabilities to manifest to a degree of disability of 10 percent or more to qualify as a presumptive disease.

New Herbicide Presumptive Disabilities			
Disease	Code	CS - Identified Diagnostic Conditions	
Hypertension	7101	hypertensive vascular disease
